Available design templates

This page won't be part of your future website. It is displayed in this demo site just to let you try out our design templates. Final web design for your site will be properly set up to suit your needs (limited to selected template's customization capabilities). This means your logo, company name and/or motto may be customized into selected template. This demo page may not be properly displayed on every template, of course those minor errors will be corrected on your final website.

If you cannot find any free template of your liking, you may also purchase a low cost template from the drupal template catalog [1] we collaborate with (**Warning: the only compatibles templates with lawebredonda.com are templates of type *drupal***).
