Integration of video playback

The videos offer a very attractive and practical content. You can include helping customers or events of interest to any visitor. With our service you can play videos on our website using the embed codes that offer video sites like **youtube.com**:

Or other sites like **metacafe.com**:

Or also, among others, **tu.tv**:

Not only can you post videos, you can also link with publishing services like slideshows and documents such as **slideshare.net**:

Insert videos on its website, the possibilities are endless.
